

## Free Transition/Employment Planning workshop for any parent/guardian of an individual with Autism Spectrum Disorder (ages up to 22)

In this full day workshop you will:

- Hear from a parent describing the journey of successful employment for her adult son with autism
- Learn about state and federal transition policies
- Get educated on the benefits of social security programs for transition age youth
- Learn about workplace accommodations/accessibility
- Learn about self-determination skills you can teach your child to support pre-employment skill development
- Hear about practical tips/strategies for career development for youth with autism.

### WHEN

Saturday, June 9, 2018

Registration: 8:30am Workshop: 9:00am – 4:00pm
