

TULOSO-MIDWAY INDEPENDENT SCHOOL DISTRICT

Dr. Rick Fernandez, Superintendent

Date: November 13, 2020

Re: Notice to Return to Remote Learning/High School

Be advised that today, we had a spike in COVID positive cases at Tuloso-Midway High School campus. Two students tested positive this afternoon bringing our confirmed positive cases to 5 this week. For the safety of our students and staff, the High School will transition to remote learning for all students starting Monday, November 16th and will tentatively return to in class instruction on November 30th. This change will only affect the High School and all other Tuloso-Midway campuses will remain open for face-to-face instruction.

High School students will be expected to log in to classes at their normal designated reporting times and participate in remote instruction.

- Technology will be made available for pick-up for those who need it
- The building will be deep cleaned and disinfected
- Staff will report to campus as usual to facilitate remote instruction

Please continue to practice social distancing and contact your campus if you need any assistance.
