

TULOSO-MIDWAY INDEPENDENT SCHOOL DISTRICT

Dr. Rick Fernandez, Superintendent

March 2, 2021

TMISD Parents and Students,

We are aware of Governor Abbott's recent press statements removing the statewide "mask mandate," which will go into effect next Wednesday, March 10, 2021. At this time we are awaiting additional guidance from the Texas Education Agency regarding the Governor's order and its effect on schools and will share more details once available. Until then, Tulo-Midway ISD will continue with all current guidelines.

Respectfully,

Dr. Rick Fernandez
TMISD Superintendent
